## Letter for December and January

It's quite hard to be a minister of religion at the moment. The war in Gaza is essentially about what is called The Holy Land and who 'owns' it. As I write, the Archbishop of Canterbury has just resigned over the church's failure to protect young men from the most horrific abuse. I feel like keeping my head down!

But I truly believe that we have to keep lighting candles in the darkness. There'll be lots of candles around at Christmas, some real and some of those very effective artificial flickering lights. And there's that lovely smell when you blow a candle out. Candles make us feel at home and safe. They give a soft and gentle glow - nothing harsh. Their light is fragile and can easily be blown out. We have candles lit on the altar every time we hold a service. They have come to represent the light of the love of Christ. We are very good at inventing stories and I'm sure the candles were originally on the altar so the priest could see! Nevertheless we use them now to represent Christ's light by giving a candle to a baby at its baptism and a child lights a candle each time we have an assembly at school.

There's something hopeful about a candle. Think of those times the electricity has failed and we have lit candles to light our homes. The light is so little and yet it gives enough light for us to find our way around the house - if only to replace a fuse! Lots of candles together create a wonderful light and heat too. People are always drawn to the atmosphere of a candlelit service.

There is an expression 'It is better to light a candle than to curse the darkness'. We have had many dark days recently. Covid was followed by the price of oil and the cost of living going up. Life has become tough for a lot of people. The news on our televisions is dire and depressing. But think of lighting a candle - doing something small to cheer yourself or another. Concentrate on the small gifts in life, smiling at someone, stepping to one side for them, greeting them with a cheery word, offering to say a prayer for them. I know lots of people are so kind to their neighbours and I'm sure they increase their own happiness when doing so. Also, we are fortunate enough to live in a beautiful part of the world. Sit with a leaf in your hand and study its shape and colour, walk through leaves rustling around your feet, look at the birds flying for their homes to roost. Be kind to yourself and never forget you are loved.

Have a wonderful Christmas and enjoy the lights and the candles. The world forgets, but we celebrate the birth of a little child come into the world to show us the way of love. A child who grew up to say "the greatest commandment is this - that you love God with all your heart and mind and soul and strength and love others as much as you love yourself." How much better a place the world would be if we could live up to that commandment. Christmas is a good time to remind ourselves of this call to loving. So enjoy all the good things of Christmas and when you look at a candle over this festive season, remember that God loves you with a light which will never flicker out.

There are lots of opportunities to sing carols in the benefice so we hope you will come to a service to enjoy them

Merry Christmas and Happy New Year Heather

## The Freshwater Community Grant Fund – now open for applications!

Great news! The Freshwater Community Grant Fund is now open.

As part of the National Trust's Upper Bure Riverlands project focusing on creating a river that is *healthy, clean and rich in wildlife that is loved and cared for by all*, we are offering community groups the opportunity to apply for funding to care and restore our special freshwater habitats.

The fund is open to local community groups, such as charities and other non-profit making organisations, schools, town councils and parish councils for projects that will boost biodiversity and create opportunities to connect with nature.

Grants of between £500 to £5,000 are available for projects to

be completed by December 2025.

If you are a part of, or know of a group, that wants to do more for nature then we'd like to hear from you. Please get in touch, or share the details of this grant and how to apply, so we can restore nature together: <https://bit.ly/FreshwaterFund>.

This project is funded by the Government's Species Survival Fund. The fund was developed by Defra and its Arm's-Length Bodies. It is being delivered by The National Lottery Heritage Fund in partnership with Natural England and the Environment Agency. If you'd like to get involved or learn more about the project you can connect with us on Instagram <https://www.instagram.com/upperbure> or contact us at [bureriverlands@nationaltrust.org.uk](mailto:bureriverlands@nationaltrust.org.uk)

### Whittington Boots Wednesday 5<sup>th</sup> Saturday 8<sup>th</sup> February 2025

**7.30pm (6.30m on Saturday)**

Join Dick Whittington and his talking cat Puss in Boots as they go on the adventure of a lifetime travelling to Aldborough, where the streets are said to be paved with gold. But things are not as they seem and soon the pair are separated, and Puss is stolen. Can Dick and his friends rescue poor Puss and live happily ever after with a life they'd always dreamed of?

Mark the dates in your diaries and join the Aldborough Players for their 31<sup>st</sup> pantomime!

Tickets on sale at Aldborough Post Office and online at: [www.aldboroughcommunitycentre.com](http://www.aldboroughcommunitycentre.com) from early January 2025.  
Adults £8, Children £4

**Save the date!**  
**Its back.....**

## **Report of the Ordinary meeting of Erpingham with Calthorpe Parish Council held on Wednesday 13<sup>th</sup> November**

In the chair Rob Goodliffe welcomed all those present, with apologies from the District Councillor. There were no Declarations of interest. The Council approved the minutes of the Ordinary Meeting of the Parish Council on September 11th 2024. Under matters arising arrangements had been made with the grass contractor to include the verge on Eagle Road in 2025. The milestone damage had been advised to Norfolk County Council and they would contact their contractor, Tarmac; the Clerk would follow this up. The grit bin is registered for filling for the winter season. On paths the chairman had submitted a grant application to fund the path from the sports field to Eagle Road, and asked North Norfolk District Council to clear the route for the winter. The Clerk would contact Norfolk County Council to establish whether there is a plan to re-open the Moorgate bridge, copying the County Councillor. The bus shelter bike rack the installation had now been completed. Under planning and the proposed radio base station installation, off The Street, Erpingham – the agent had suggested a 'TEAMS' meeting and the Clerk would seek to arrange for two members to be contacted.

In the finance report the Clerk had been advised of a small reduction in interest rates and established that Hinckley & Rugby B Soc had a savings account for councils – the rate was comparable to the bank. The Clerk would investigate alternatives. The grant for the bike rack was not successful as a capital project. North Norfolk District Council had agreed a £292 reimbursement for bin collections. The Clerk had received requests for funding from both churches (Jan agenda item). The 2<sup>nd</sup> half precept had been received. The Clerk had circulated details of the the Clerk's pay review and the Council confirmed the award.

The Council reviewed the current year budget (24-25) and proposed budget for 2025-2026 – increases next year to 'village' and 'play area' were agreed and the budget was confirmed,. The next agenda would include an item to begin to establish a 'long list' of amenity improvements that the Council would work towards. The Council decided to set the precept for 2025-2026 at £13970, an increase of 8%, motion carried. Payments were approved for electricity, bus shelter grass cutting, the bike rack installation, the Clerk's back pay, a training course, the play area annual inspection, the annual subscription for the Society of Local Council Clerks, a donation to the Royal British Legion, donation and the Clerk's salary.

On the play area the bins were now being collected as per the agreement. The Inspection report had been circulated to members and the Clerk was asked to obtain a quote from the contractor for rectifying the three 'moderate' risk' items. In his report the Clerk had sent members details of the change to NCC recycling centres from 18/11; the Village Hall had advised that they were required to remove part of the gas tank surround. The next meeting will be on January 8th 2025. In members' reports there were two instances of flooding, and the SAM signs would return in the New Year; t the defibrillator was operational, that MUGA report issues were in hand and a member had laid a wreath at the Remembrance Service on behalf of the Parish Council. With no other business the meeting closed at 21.10.
